

Kindness is something  
that can't be expressed  
with just a few words.

### Kindness Poem

Smile smile don't be mean  
have a chocolate milk with cream.

Kindness is like a boomerang- it will always come back to you, no matter how small of a throw

Kindness spreads and stuff  
Kindness sprouts from being genuine  
Even a small act of kindness can make a big change  
Kindness is something that can't be said with just few words  
Help those in need  
Kindness spreads like a sneeze?

Kindness is beauty  
Kindness is the key of the Door of Delight and Happiness  
It may be out of sincerity, it may be for a purpose  
Kindness is happiness.

Greet each other with kindness,  
Being kind can be a simple act  
Kindness means caring for others  
A little hug can give you so much joy.

Collectively improving the world we all live in  
Helping each other is a important scene  
Kindness is something that can't be expressed with just a few words  
Spread kindness to your neighbours.

Kindness is like a butterfly, it shutters into others and speeds like a butterfly's wings  
a warm fuzzy feeling  
Kindness is contagious, it can change life.  
Kindness is the mark we make in the world?

Even Covid cannot stop kindness from spreading  
Kindness spreads like a sneeze, pass it around with ease  
Just say thank you  
Random acts of kindness are not random, they are life changing

Every action we take is a helping hand for another  
Kindness is a work of God to expand in this world so that everyone will be in peace and no more war  
A gift to share, warm as a gentle hug  
Small pieces of kindness, makes the world a better place  
Showing kindness to homeless and helpless is a great blessing.
