TESTIMONIALS

// I learnt so much about so many things which are important to me like, how to help my community and the world, how to be a better leader and how I can have better wellbeing. I also really liked all the guest speakers we had and I learnt a lot from them. //

Student, **GSL Catalyst**, July 2022

// **GSL** was very inclusive and we got to know each other really well. I met people from all over the world and I got to learn new things and hear other people's opinions on situation/issues going on in today's world. //

Student, **GSL Catalyst**, July 2022

COURSE JOURNEY

BOOKING

Schools are invited to share the course with their students so that they can book directly using the GSL online shop. Once we have received payment, they will be sent a registration form and their place on the course will be confirmed.

Course Fee £220 / Early bird £185

(Member school students access 20% discounted rates)

Booking closes for all courses 30 days before they start. Early bird prices end 3 weeks before that.

3-DAY ACCELERATOR

The three-day GSL Accelerator equips students with the tools and resources needed to elevate the impact that their existing social action projects have in their communities. This interactive online course is delivered in English and led by experienced UK-based facilitators, who prepare students to lead, collaborate and inspire others to be part of the change that they are advocating for.

- **Dates:** 28th-30th October 2022
11th-13th Nov 2022*
28th-30th July 2023
- **Time(s):** 08:00-11:45 or
15:00-18:45 UK time**
- **Location:** Zoom

*This course is for COBIS member schools only

**There are two time zone options for the three-day course. Students will be asked to select one option for all three days upon registration.

INDEPENDENT CHALLENGE

The 60-day independent challenge takes place after the GSL Accelerator.

It is an opportunity for the students to use key learnings from the course to develop their project, set goals that are both challenging and realistic, and ensure their project has a wider impact on their community and/or environment.

Students will be required to submit a summary of their challenge, alongside any relevant evidence including pictures, written reflections and/or a creative piece to showcase their GSL journey.

CELEBRATION & CERTIFICATES

A virtual graduation celebration event will be held to showcase what students have learnt and accomplished during the course. It will also include panels and offer an opportunity to hear from students about the change that they have created. E-certificates will be awarded following the event.
