TESTIMONIALS

// I really enjoyed the GSL Catalyst course because it was very insightful and provided me with a new outlook on leadership and the world. Additionally, my facilitator was excellent and very inspiring. The other people in my team were all very passionate young leaders and we were able to have lots of effective discussions. //

Ainsley, Victoria Shanghai Academy, China
GSL World Catalyst Student 2021

// I have learned many lessons to becoming a better person, a better leader, and a powerful changemaker. //

Pierina, San José de Tarbes, Peru
GSL World Catalyst Student 2021

// The Catalyst event was a wonderful opportunity for our children to broaden their horizons and engage with other young people across the globe. It was a powerful reminder that even the youngest among us has the power to make lasting change. Children need to see real life heroes and hear about how they overcame obstacles to tackle their own challenges. //
