# JUDGING CRITERIA & FINAL SUBMISSION

Your Teams are expected to submit the following:

The report and digital submission should be a Team effort and clearly outline how your Teams' project has met the Judging Criteria.

PROJECT REPORT
Maximum 1000 words

+

DIGITAL SUBMISSION
Maximum 3 mins long

We ask that you submit a Project Report (no longer than 1000 words).

Teams will have the opportunity to submit their Project for the GSL Global Goals Competition as well.

Teams must include the following in their report:

- The project title and project logo (if applicable)
- The aim of the project
- The Sustainable Development Goals (SDGs) that the project addresses
- Team Member names and Team roles/responsibilities
- At least one Team photo
- At least one photo of the project in action
- Highlights from the experiences so far
- Any funds or in-kind donations secured (e.g. free posters, free venues or additional resources)
- The outcomes and impacts of the project, include any successes or failures
- The knowledge/learning and skills Team Members have gained throughout the membership journey

Teams will be requested to create a digital submission – this helps bring the project to life!

The digital submission can be in the form of:

- A video (uploaded to YouTube or Vimeo)
- Prezi
- PowerPoint or equivalent presentation

Please contact us directly if these options are not possible.

We are interested to see how Teams can communicate what they have achieved through a different medium. Be as creative as you like!

It is the responsibility of each Team to secure and clear all rights for photographs or video content. The Teams assume full responsibility for notifying the other partners and organisations of any use of their information or imagery.

All non-English content needs to have English subtitles or an English transcript needs to be provided.

The digital submission must not exceed 3 minutes.

If your Team(s) are including social media posts in their project submission, make sure they add **#GSLgoals** to the posts.

UPLOAD YOUR SUBMISSIONS TO BE ELIGIBLE FOR RECOGNITION, PRIZES AND A CERTIFICATE.

JUDGING CRITERIA

1. Knowledge and learnings gained through the GSL Membership journey

   a) Share the Teams' learnings and skills they have developed

   b) Demonstrate the knowledge gained by the community

   c) Demonstrate an understanding of the SDGs

2. The Teams' impact on the community

   a) Measure and demonstrate the impact made by the Teams' project on the SDGs

   b) The number of students, people and organisation(s) involved and/or impacted

   c) The number of hours spent working on the project

3. Special Recognition to Teams who:

   a) Create a project that is sustainable

   b) Include and involve other people, partners and organisations in their project

FINAL SUBMISSION FORM

When completing the submission form, the Teams need to ensure:

- Team Members' names are CLEARLY WRITTEN. Only students named on the final project submission will receive a certificate

A guide to making the most of your submission can be found here

If you have any questions regarding the submission process, please email us: social.leaders@future-foundations.co.uk.

You must complete the online submission form at the following website: www.globalsocialleaders.com/ ggfinalsubmission

SOME TIPS FOR SUCCESS

(things we'll be looking out for).

Teams should:

- Keep the report simple, clear and easy to read

- Think about creative ways to display information

- Display evidence that demonstrates the impact on others – use quotes, endorsements or statistics

- Run a spell-check before submitting

- Check-in with your Lead Teacher(s) for feedback on your final submission

WE LOOK FORWARD TO RECEIVING YOUR FINAL PROJECT SUBMISSION!
